Message From the President – Brendan Baldonado, NW1S

It's been a fun year so far and we have seen a lot of small changes here at the Boston Amateur Radio Club. The membership continues to grow at a nice pace and we continue to see new hams join the ranks and get licensed. Upcoming we have Winter Field Day and the Holiday Party and we need your input on days and times that work for you. We look forward to seeing you at one or both of these events and a meeting in the next year.

Minutes of the October, 2025, General Meeting – Joe Chapman, NV1W

A General Meeting of the Boston Amateur Radio Club was held on Thursday, October 16, 2025, at the Artisans Asylum in Allston and simultaneously on the Zoom teleconferencing platform. Members attending: AC1UT, K1SU, KB1EKN, KB1ISG, KC1PWO, KM1P, N1ICN, N1PHL, N1QD, NV1W, NW1S, W1JJF, W1PAC, W4RD. The meeting was called to order by President Brendan Baldonado, NW1S, at 7:34 p.m.

Following introductions, a presentation on DMR by Joe, N1QD, followed.

Officer reports:

- President (NW1S): Nothing to report.
- Vice President (N1QD): Gave a recap of NEAR-Fest.
- Secretary (NV1W): Excluding honorary members we have 131 members. As a reminder, there will be a dues increase for 2026. The website will open for renewals on November 1.
- Treasurer (KB1EKN): The checking account has \$10,401. The repeater fund has \$1925. The A2 account has \$13,453, and the total is \$25,779. A2 has not yet cashed the check for July–September. KE1L will confirm the proper address for sending payments to A2. The Hale Education issue (uncashed June, 2025, check for Field Day) has been resolved.

Old business:

- SKYWARN Recognition Day (December 6, 2025). N1QD gave a history of the event. KB1EKN asked if we were interested in doing it. The sense was that the major effort we've done in past years is not practical. Perhaps we could do one HF station or a POTA-style activation. **Tabled to the November meeting.**
- Winter Field Day: we should get a body count. K1SU will put out a survey.

New business and announcements:

- The K1USN club will be operating on Veterans' Day (November 11) from the Bare Cove Fire Museum in Hingham.
- Richard Hoffman, K1DJ, became a silent key in October. He was a member of the K1USN club and known to many in BARC.

The meeting was adjourned at 9:52 p.m.

— *Respectfully submitted, Joe Chapman, NV1W.*

Winter Field Day is Coming! – Scott Gaudet, K1SU

Hey BARC members! Winter Field Day is coming up on January 24–25, 2026, and we'd love to know who's planning to take part this year. Whether you're a seasoned operator or just looking to experience your first field event, it's a great opportunity to get on the air, test your gear in cold-weather conditions, and enjoy some camaraderie with fellow hams.

Please let us know if you're interested in joining or helping with setup, operations, or logistics — the more the merrier! Please respond to the Google Form [here](#) to confirm your interest!

Let's make this another fun and successful Winter Field Day for BARC!

BARC's New Discord Server! – Patrick Mannion, W1PAC

Hello All! 🙌

🧐 Guess what! 🧐

🗨️ BARC has its own Discord server!

🗨️ What is Discord you might ask? It's a chat program that allows instant messaging, voice and video calls. The server is broken up in various chat rooms and we have a lot, however, the general chatroom is called #general and after that it branches off into various other chat rooms for more specialized content such as ones for POTA, ARES and various digital modes.

If you want to join, you can use it right in your favorite browser or use the Discord software, it's available for desktop on all 3 major operating systems such as Windows, Mac and various Linux distributions. It's also available for iOS and Android phones.

Just go to <https://discord.com/download> and download it.

To get to our server you'll need an invite link which is: <https://discord.gg/F6hqmgFMjW>

We've set it to never expire, but if it accidentally does, just let us know in the groups.io and we'll generate a new one.

Hope to see you on there!

BARC's Online Discussion Group – Joe Harris, N1QD

BARC has an online forum at Groups.io. The group serves as a sounding board for members to post their suggestions and comments, and is intended to foster discussion. The group can also be used to share photographs from club events! Come visit us at: <https://groups.io/g/BostonARC>. You can join, if you're not already there, by sending an email to BostonARC+subscribe@groups.io.

New Course from HamRadioPrep – Joe Chapman, NV1W

Our friends at HamRadioPrep have just announced a new course: *HF Masterclass*. Unlike their licensing courses, this one aims to lead someone with a General or an Amateur Extra license from the first steps of buying a radio and assembling a station through becoming a competent operator on the HF bands. You can read more about it at <https://hamradioprep.com/hf-masterclass/>.

As with all of HamRadioPrep's courses, you can use the coupon code **bostonarc** to receive a 20% discount. BARC also receives a commission for every sale that uses our coupon code, so you help the club as well.

BARC Net Preamble

The control operator for the BARC Net is Joe, W1JJF. He rarely misses a net, but when he does any ham can take up the position and run the net. To assist you in opening and closing the net the BARC Net Preamble is printed below. Do not be afraid to step up and take the challenge.

Is there any further business for the repeater before we begin the Boston Amateur Radio Club Net? This is «YOUR CALL». Calling the Boston Amateur Radio Club Net. This is «YOUR CALL», my name is «YOUR NAME» and I am located in «YOUR TOWN». This net meets each Monday evening at 9 pm Eastern Time on the 145.230 Boston repeater, PL 88.5. This net is an informal round table discussion concerning matters of interest to the members of the Boston Amateur Radio Club and the Boston Amateur Radio community in general. When checking into the net, please say, “this is” and drop your carrier to check on doubling. Then give your call sign, name and location. All amateurs are welcome to join the net. Any check-in’s for the Boston Amateur Radio Club Net please call now.

[Compile the list of the check-ins and proceed with the net.]

Is there any further business for the net before I close? Hearing nothing, this is «YOUR CALL» closing tonight’s session of the Boston Amateur Radio Club Net. I would like to thank everyone who participated in the net and those who stood by while I ran the net. The Boston Amateur Radio Club Net will return next Monday evening at 9 pm Eastern Time. This is «YOUR CALL» returning the repeater to general amateur use. 73.

I See the Future

28 – 29 November	CQWW CW
6 – 7 December	ARRL 160 Meter Contest
6 December	SKYWARN Recognition Day
13 – 14 December	ARRL 10 Meter Contest
TBD	BARC Holiday Party
15 January	BARC General Meeting, Artisans Asylum, Allston, and Zoom, 7:30 pm
24 – 26 January	Winter Field Day, AMC Ponkapoag Camp

▲ Note change from usual date and/or location
(Rp) = BARC Repeaters will be used for these events

As you might expect, there are many more events (public service, hamfests, flea markets, etc.) taking place—some only peripheral to ham radio. For information on these, covering much of the Northeast, the “Ham - Electronic Flea Market” and the “PSLIST” lists tell the story. Of course, if you know of an event that would be of interest to the readers, please let the Editor know. For an up-to-date calendar of events, including web links, visit <http://www.barc.org/calendar>.

Businesses Can Advertise Here

The SPARC accepts commercial advertisements. BARC encourages monthly promotion of your products and services which would be of interest to hundreds of our members and others interested in the Amateur Radio Service.

The rates for display advertising are:

1 col × 2 in. (business card)	\$15 per issue
1 col × 2 in. (business card)	\$75 per 6 consecutive months
1 col × 2 in. (business card)	\$125 per 12 consecutive months
1 col × 4 in. (½ column)	\$30 per issue
1 col × 9.5 in. (full column)	\$60 per issue

Originals of ads must be presented to the Editor in MS Word or .jpg format to print 1:1. Other composition will be at extra cost. We will be glad to quote other ad sizes and durations. Members are urged to seek prospective advertisers who are appropriate to our readers. For additional information, contact Joe Chapman, NV1W, at 617.267.6349 or nv1w@arrl.net.

Two Ways to See Yourself in Print! (well, PDF) – Joe Harris, N1QD

We are always looking for articles for the newsletter. I have reserved this space for your articles, reviews, tips, how-tos, hints ‘n’ kinks, photos, schematics, or other ham related information. Photos of you operating or your shack are especially welcome. Send your submissions to the Editor, Joe, N1QD, at n1qd@n1qd.org. Articles for the December issue must be received by December 6.

Are you a depressed BARC member because you have a treasure you must turn to cash? Cheer up, Bunky! The SPARC will run your (non-business) ad for free. Of course, a 10% donation if you sell it will be cheerfully accepted. Just send your ad to Joe, N1QD, at n1qd@n1qd.org.

BARC Volunteer Exam Sessions

The Boston Amateur Radio Club offers license exams quarterly. The next session will be held on Monday, October 13, at 7:30 pm. Test sessions are held at Artisans Asylum, 96 Holton St., Boston, MA 02135.

We give all exams (Technician, General, and Extra). *Testing is by reservation only*. Please bring the following with you:

- Your current license and a photocopy for the ARRL, if you are upgrading
- Any CSCEs you are claiming, and a photocopy of them
- Valid picture ID or two valid non-picture IDs
- A pen and a calculator (if you want to)
- **\$15.00** (good for all the tests you take at that session, except for retests)

Note: Written tests can be taken sequentially at the same session for the same \$15 fee. The needed FCC forms will be provided.

To reserve a seat or for further information, contact: Jim Clogher, N1ICN, n1icn@arrl.net, or Joe Chapman, NV1W, nv1w@arrl.net.
